CHRISTMAS PARTY

Thank you to Samuels Miller for hosting the annual DBA Christmas party in December.

ATTORNEY IDENTIFICATION CARDS

The Executive Committee has been discussing the possibility of getting attorney identification cards through the Macon County Sheriff's Department. The cards will be issued by the Sheriff's department, but will not be used to bypass security. If you have any questions, please contact Lindsey Wise at (217) 428-4689 or lwise@kehart.com.

WEBSITE

The Web Page Committee is working on redesigning and updating the website and has received 2 proposals for this project. The Committee is meeting in February to select a website development firm. If you have any questions or would like to help, please contact Bill McNutt.

COMPOSITE PICTURES

The Executive Committee plans to have a new DBA composite board made for the Lawyer's Lounge at the Courthouse in 2015. Drew Jacobus has been working on this project, and we hope to have appointments for pictures in March.
